We want to create an environment within which CARING, HONESTY, RESPECT AND RESPONSIBILITY are promoted. Unacceptable behavior will be confronted and treated in a fair and consistent manner by all trip leaders and team leaders.

The use of illegal substances, alcohol, drugs, tobacco or weapons are forbidden and may result in serious consequences as governed by the laws of each state. Consequences as a result of inappropriate behavior regarding hotel, bus and event etiquette will be discussed. Treated on an individual basis, consequences will pertain to the behavior sometimes resulting in the child being sent home.

As representatives of our family, school, the YMCA, and our community, adherence to this policy will ensure a successful experience for all involved. I, along with my parent(s) and leaders, understand and agree to the principles of good behavior and fair and consistent discipline.

We acknowledge that participating in this program requires attending scheduled meetings. I allow my child to participate and will attend parent meetings as scheduled.

We agree to abide by the YMCA policies regarding dress code and cell phone/electronic device policy.

In the event that my child is excused from the program, either for medical, behavioral, or other reasons, the YMCA has my permission to arrange for travel home, which may include airline flight, train, bus, or other arranged transportation. I further agree that all expenses related to transportation home will be my responsibility.

I give my permission for the YMCA to use, display, and publish etc. photographs in print and as part of the Bath Area Family YMCA internet project.

I give permission for emergency medical treatment and understand that all medical expenses are the responsibility of our family.

I give permission to the Bath Y Freedom Tour Staff to share and receive information from Brunswick Junior High School District Personnel. This can include principal, teachers, therapists, specialists, guidance counselors, and any other person with pertinent information about your student regarding this program.

Participation in the Freedom Tour is by invitation, after a review and acceptance of your application and your attendance at tour planning and educational meetings. Program Application packets are passed out at the registration meeting. These are due by the 1st parent/student meeting. The Bath Area Family YMCA reserves the right, at any time, to refuse to grant any application, or to rescind any accepted application, for failure to comply with the prerequisites to Tour participation, or for behavior which may be deemed detrimental to the trip in any way.

We have read this flyer and understand the information. We understand that additional material will be sent home regarding dates, meetings, behavior expectations, medical information, and activities relating to the Bath Area Family YMCA "Freedom Tour".
