

Bath Area Family YMCA

Swim Team Payment Plan

In order to guarantee the continued success of our Swim Team program and to allow families to schedule payments according to their household budget, the YMCA is offering two options for team fee payment.

- Option one, is to pay the entire team fee at the time of registration.
- Option two is to pay by draft once a month over a six month period.

No one may practice without completed paperwork and making the September payment at the time of registration. If signing up late in season all past payments must be paid at the time of registration.

Please remember that financial assistance is available. Financial aid forms may be found on our website, at the front desk, or emailed upon request. Financial aid forms with appropriate documentation, and/or questions should be directed to Sponge Email sponge@bathymca.org or call (207)443-4112 ext. 23
