

Long Reach Swim Club

2020 - 2021 Team Information

Registration

All new swimmers need to be screened by the coaching staff before joining the team. Once approved by the coaching staff, registration is done at the front desk before each child begins participation. We need a new registration form with parents' signature each season for every swimmer.

YMCA Membership

National YMCA rules of competitive swimming require that each member of every YMCA swim team have a membership in good standing. One may use the monthly *eft* for the membership fee, but the membership must be maintained for the entire swim season. This is a YMCA of the USA Membership Rule for Competitive Sports. In the event that a parent chooses to cancel a swimmer's membership, the balance of the annual membership fee will be due at that time.

Program Fees and Scheduled Payments

The fees for this season are as follows:
A1 \$1200.00, A2 \$850.00, B1 \$710.00, B2 \$610.00, C1 \$560.00, C2 \$560.00, and D \$300.00. An initial down payment is required at registration. We welcome and encourage payment in full when registering but realize this may not be possible. You may choose to divide the fees into 6 monthly automatic payments and you can choose the dates those payments are electronically transferred. All fees are due by February 28, 2020 for this season. If you would like to apply for a scholarship, please contact the Aquatics Director.

Y Program Refund Policy

Department directors process all credits and refunds. These are done on an individual basis, less the processing and administrative fees. Refunds may take up to four weeks. Special consideration will be given for extenuating circumstances.

Swim team is a members-only program.
