### **Bath Area Family YMCA Mission**

The purpose of the Bath Area Family YMCA is to promote the health and well-being of individuals, families, and communities.

We offer a broad range of programs and services to our members and the community. These programs and services are designed to nourish mind, body, and spirit; promote life skills; and improve health and wellness. We are driven by the values of caring, honesty, respect, and responsibility. We embrace the diversity of our community. We do not discriminate based on race, creed, national origin, age, gender, sexual orientation, disability, or socio-economic status. We always strive to provide our services without regard for one's ability to pay for such services.

### **Our Philosophy**

The Bath Area Family YMCA Child Care programs offer opportunities for children to interact in an inclusive, child-directed environment. We focus on learning through the developmental areas of social-emotional, physical, cognitive and language, utilizing “play” as the focal point for all learning. We respect and support children in the acquisition of new skills, believing that children learn at their own pace, developing skills as they build upon gained knowledge.

Families are an integral part of our program. Teachers help to introduce diversity while working with the children and families involved in our programs. Our goal is to create an environment that nurtures, encourages respect, promotes self-esteem and trust. Our hope is that the experiences we offer will promote unique and positive outcomes for the children and families we serve.

### **Y Annual Campaign & Scholarship Fund**

The YMCA is a charitable organization that provides financial aid to any individual that is not able to afford services. The funds for these scholarships are raised thanks to YMCA community volunteers that work with our Annual Campaign, as well as support from the United Way of Mid-Coast Maine. Parent volunteers are always welcome to join the campaign as a volunteer. Applications for financial aid are always available at the YMCA front desk or on the Y website at [www.bathymca.org](http://www.bathymca.org).

### **Program Goals**

Our Child Care Program is a safe, caring environment where each child is encouraged to learn new skills, express himself/herself freely and explore the environment. Teachers facilitate independence and self-esteem while modeling and supporting the development of problem-solving skills.

Teachers provide a group environment designed to promote social-emotional, cognitive, physical, and language skills. Using process-oriented activities, children learn risk taking and build self-confidence.

Our day is designed with individual and group activities taking place within the group setting, as well as free and structured playtime. Daily, teachers observe and interact with children attempting to maintain an environment that is stimulating and meets the needs of each child at his/her own level of readiness. Ultimately, in keeping with the purpose and philosophy of the YMCA, we strive to help children develop fully in body, mind, and spirit.

### **Daily Program Philosophy**

We believe that children need time to play. Therefore, the environment in our childcare programs will be designed to allow the children to explore and create independently. It is our goal to provide a developmentally appropriate program, which will enhance the healthy growth of your child as an individual. Through observation, Site Directors and Group Leaders will design age appropriate, creative activities that encourage fun.

### Arrival & Pick Up Policies

Safety is an important consideration here at the YMCA. Our policy is to know where every child is at all times. Therefore, an adult must accompany his/her child into and out of the Y Care programs daily. A parent/caregiver must be sure to let staff know they are leaving with the child they are picking up. All person's dropping off or picking up MUST sign in AND out daily and indicate the time below their signature.

Please note: If the Y Care staff suspect that a parent/guardian is unable to safely transport their child at the time of Y Care pick up, the YMCA will follow the guidelines listed under the Impairment Policy.

*Our program closes promptly at 5:30pm.*

A late fee of \$2.00 a minute will be charged for a child who remains at the site after 5:30pm.

\*\* We reserve the right to terminate services when a parent is repeatedly late.

### Resolving Parent Issues

At any time, a conference or brief meeting with the Director or Site Director may be requested. For programmatic issues, Site Directors are an excellent resource. The School Age & Camp Director is available to assist with policy issues as well as support program issues. The Bath Area Family YMCA feels that positive parent-teacher communication is necessary to create the best possible environment for children. All staff is directly supervised by the School Age & Camp Director. When you have concerns or questions, we encourage you to communicate them to us in a timely manner.

### Emergency Policy

We conduct and complete monthly fire drills and emergency procedures for all staff and children to ensure the safety of everyone involved. Our emergency procedure is posted at each site.

### Mealtime & Nutrition

- All sites are peanut and tree nut FREE!
- Snack is served daily during PM Care and follows USDA Food & Nutrition Standards.
- A menu detailing your child's snack for the week is available attached to the sign in/out sheets.

The Bath Area Family YMCA supports and participates in the 5210 program. The 5210 message (5 or more fruits and vegetables, 2 hours or less of recreational screen time, 1 hour or more of physical activity and 0 sugary drinks, more water and low-fat milk a day) is used consistently across all program areas.

### **Illness Policy**

Illness is an important topic to address in childcare. We understand the importance of having a safe place to leave your child, but we must keep the health of the group the top priority. Please try to assist us with reducing the transmission of childhood diseases by noting your child's behavior and checking for signs of illness. We trust that you will follow these simple guidelines:

- *A child, who is not well enough to participate in all our daily activities, including swimming, gymnastics, and outdoor play, should not attend.*
- Children must be without fever of 101° or greater for 72 hours and/or must be without vomiting and diarrhea for 24 hours before returning to the program. (Vomiting includes two or more episodes in the previous 24 hours.)
- A child who is presenting any of the following symptoms should be kept home and will be sent home if any of these symptoms are noted.
  - A temperature (of 101° or higher)
  - Diarrhea or Vomiting
  - An Unexplained Rash
  - Discharging Eyes or Ears
  - If your child is sent home with conjunctivitis, it is our policy that he/she may not return to the program for 24 hours after beginning treatment.
- Please monitor your child for any unusual symptoms. If your child has been exposed to a highly contagious disease, please notify us. *Coronavirus, strep throat, pinworm, viral infections, measles, mumps, chicken pox, fifth disease, scarlet fever, conjunctivitis, diarrhea, and impetigo* are among those conditions characterized as "highly contagious".
- If a child has been exposed to a contagious disease, we will post notification to inform all parents of the possible exposure, symptoms to look for, as well as treatment. If your child has a contagious disease and there is a question as to when they should return to care, we may request a doctor's note stating it is safe for him or her to return to care.
- If your child develops any of these symptoms, you will be notified to come and pick up your child. You will then be required to make arrangements for your child to be picked up within one hour of the request. While waiting, your child will be provided with a safe, comfortable place to rest. The emergency pickup person must be on file for the release to occur.

### **Medication**

EpiPen's and Rescue Inhalers are the only medication that will be administered in our program during before and after care. If your child uses an EpiPen or Inhaler one should be provided to the Site Director at the beginning of the program and should be clearly labeled with administration instructions. Any other medication needing to be administered should be arranged to be taken before or after the program or with the school nurse.

Should your child have an allergy, or a medical condition please contact the director prior to enrollment.

### **Family Participation & Interaction**

We ask that parents follow these guidelines when they interact with others when picking up and dropping off from the program.

- Use respectful language
- Listen attentively
- Talk or meet outside the classroom, away from children
- Please understand that the children are our first concern, and the discussion may need to be postponed until coverage can be found.
- Avoid adult conversation in front of the children

### Essential Eligibility Criteria

Due to the nature of a group-based style of this program, the following list of eligibility criteria have been developed to create a safe environment for all the children in our care. We will do our best to make any reasonable accommodations. Please list any accommodations in the Enrollment Packet.

- Your child should be able to meet his/her personal needs (toileting, basic hygiene.)
- Your child should be able to move from place to place with the group without wandering off or running out of the program area.
- Your child should be able to follow basic directions from staff.
- Your child should be capable of positive interaction in our group-based environment.
- Your child should be able to talk with a staff person when assistance is needed.

While most children in our care respond to our *Program Discipline Procedures (see below)*, some children exhibit continuing behaviors that threaten the safety and development of other children or have special needs necessitating the use of additional strategies.

We want to provide children with the supports they need to be successful in our program. We encourage parents of all children with known disabilities (medical, educational/developmental, and behavioral) to:

- Share additional information with the YMCA. (Helpful information includes diagnoses, recommendations by physicians, and recommendations by child development experts and other professionals who have relationships with the child and family.)
- If a child has known or diagnosed behavioral issues, information **MUST** be shared by parents/guardians at enrollment.

### Behavior Policy

The Bath Area Family YMCA believes that all children and staff have a right to a safe and healthy environment. All Y Care participants are expected to promote safety and respect. Staff will demonstrate and encourage children to learn and use conflict resolution skills.

If a child is demonstrating unacceptable behavior, the staff will fill out a Disciplinary Action Report. Behaviors that warrant a Disciplinary Action Report include, but are not limited to physical violence, inappropriate language, disrespect to staff or other children, dangerous behavior, bolting, or any behaviors which cause an unsafe environment for themselves, other children, or staff members. At any time if a child is unable to follow the basic rules and expectations outlined, parents or guardians may be contacted and required to pick up their child immediately from the program.

### Program Discipline Procedures

Staff make every effort to ensure all participants have a positive experience. When a child does not follow the behavior guidelines, we will take the following steps.

- 1. REDIRECTION:** Staff will redirect the child to more appropriate behavior.
- 2. STOP & THINK:** If inappropriate behavior continues, the child will be reminded of behavior guidelines, rules, and will be asked to decide on action steps to correct his/her behavior. The parent/guardian may be notified.
- 3. REFERRAL:** If a child's behavior still does not meet expectations and is affecting others, he/she will face consequences that may include, but are not limited to; loss of privilege(s), a phone call home, parent conference, or other. The parent/ guardian will be required to sign an acknowledgement of the action (Disciplinary Action Report, if warranted).
- 4. SUSPENSION/EXPULSION:** If inappropriate behavior continues, the participant may be suspended from the program for a matter of time that could include the remainder of the year. Incidents will be addressed on an individual basis and severity of the incident will be taken into account. Examples of unacceptable behavior:
  - Refusing to follow behavior guidelines or rules.
  - Using profanity, vulgarity, or obscenity.
  - Stealing or damaging property (personal, school, other participants, or YMCA property).
  - Refusal to participate in activities or cooperate with staff.

- Leaving a program without permission.
- Inappropriate sexual behaviors, gestures, or harassment.
- Endangering the health and safety of children and/or staff.
- Teasing, making fun, or bullying of other children or staff.
- Physical aggression/fighting. Physical violence or bullying toward another child or staff member will result in immediate suspension for a period of time determined by the School Age & Camp Director.
- A second offense will result in expulsion for the remainder of the school year.

\*\*All suspensions and terminations are situational based.

### **Incident Reports**

Y Care staff will fill out incident reports within a 24-hour period and notify parents/guardians at pick up. Incident reports do require parental/guardian signature.

Incident reports include, but are not limited to illnesses, stings, major cuts, head injuries, ice pack application injuries, major falls, infrequent bloody noses, and any additional concerning injury.

Incident reports are also used for any inappropriate behavior that does not fall under Disciplinary Action Reports. This includes, but not limited to swearing/profanity, inappropriate conduct, inappropriate bathroom behavior, and warranted behavior or actions.

Parents will be notified prior to pick up about any serious injuries.

Death of a child is required to be reported to DHHS.

### **Bully Prevention Policy**

The Bath Area Family YMCA believes that all students have a right to a safe and healthy childcare environment. We have an obligation to promote mutual respect, tolerance, and acceptance. The Bath Area Family YMCA will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate, harass, or bully another student through words and actions. Such behavior includes direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; and social isolation or manipulation.

The Bath Area Family YMCA expects students, family members and staff to immediately report incidents of bullying to the site director or the childcare director. The staff who witness such acts take immediate steps to intervene when safe to do so. Each complaint of bullying should be promptly investigated. This policy applies to students on school grounds, while traveling to and from the Y, on Bath Area Family YMCA sponsored activities, or at the Bath Area Family YMCA.

To ensure bullying does not occur in childcare programs, The Bath Area Family YMCA will provide staff development training in bullying prevention and cultivate acceptance and understanding in all students and staff to build each school's capacity to maintain a safe and healthy learning environment.

### **Reporting Abuse**

The Bath Area Family YMCA believes strongly that the safety of children in our care is our utmost responsibility. Essential to this responsibility must be that parents believe in the State Policy which considers physical, sexual, or emotional abuse intolerable and that immediate action will be taken if such an allegation is made. The following procedures will be followed in the event of an allegation:

- The alleged victim will be our primary concern ensuring safety, protection, and comfort.
- The staff person, as soon as he or she is accused of abuse, will be suspended immediately with pay until the investigation is completed and a report issued.
- The accusation, suspicion or risk of harm will be reported immediately to the appropriate State authority.
- The Bath Area Family YMCA will cooperate fully with the investigation.
- The Bath Area Family YMCA will act responsibly when the investigation is over to ensure that all children in our program are protected.

In the case of an event observed by a staff member, or a direct report of a staff member, we will follow the following procedure:

- The staff member will report the observation/incident to the immediate supervisor/lead teacher.
- The supervisor/lead teacher will immediately report to the Director and will determine what action should be taken.
- If a report to the Department of Human Services is needed, the above procedure will immediately be put in place.
- If no further reporting is necessary, the Director will report back to the initiator the rationale for this decision.

### **Impairment Policy**

If a Y Care staff has reason to believe that a family member or responsible adult is unable to safely transport a child, the teacher or administrator will address the concern and offer assistance in arranging for alternate transportation for the adult and child.

*Examples of possible reasons a responsible adult may be deemed "unable to transport a child safely" include:*

- Odor of alcohol
- Slurring of speech
- Disturbance of gait
- Confusion
- Unusual behavior that may indicate impaired judgment or risk to safety.
- Voluntary sharing of alcohol consumption

If an observation is made which indicates the child may be at risk if the responsible adult operates a motor vehicle, the Teacher/Site Director or administrator will:

- Document the incident using objective observation skills and language (report to DHHS, if deemed necessary (see Reporting Abuse)
- Attempt to find alternative transportation (contacting other responsible parties listed as possible pick up on emergency paperwork)
- Contact the police if the responsible adult refuses the above option (give the police the name of the driver and passengers, vehicle information, and our concern that the child may be in danger.

### **Tuition Policies**

At the time of enrollment, a yearly registration fee of \$35 is due. *Registrations occurring between the third Friday of August until the second Friday of September may be delayed if there is a sudden influx of registrations in this time period.*

- Weekly tuition is due the Wednesday (or 5 days) before the next week of care. In other words, tuition will be paid prior to the week of service.
- If tuition is two weeks late, a \$10.00 fee will be assessed.
- A *two-week written notice* is required if you withdraw your child from the program. Withdrawal from the program without this written paperwork will still require payment for the two-week tuition due.
- Please note that any reduction to enrollment is considered a partial withdrawal and does require the two-week written notice. This notice may be emailed, mailed, or dropped off at the YMCA office. Please do not give the notice to the site staff.
- Payment is to be made at the YMCA. If you cannot make your payment at the Bath YMCA, you may call in your payment by phone. We accept *Visa, Master Card, Amex & Discover credit cards or your bank's debit cards*. Checks by phone are available if we have your routing information on file at the YMCA.
- We reserve the right to terminate services when tuition is unpaid, or a parent is repeatedly late. If you know your payment is going to be late or if you are having financial hardships, please email Childcare Billing at [jacqueline@bathymca.org](mailto:jacqueline@bathymca.org). We are willing to work with you.

### **Termination Policy**

If the YMCA finds that a child is not able to safely participate in our childcare program or the child is unable to follow the basic expectations/essential eligibility criteria of our program, then the child will be released from Y Care. Incidents and behavior will be addressed on an individual basis and severity of the incident(s) will be taken into account. The YMCA reserves the right to terminate childcare services at any time.

Please review these rules and expectations thoroughly with your child. Fees are non-refundable if a child is sent home for disciplinary reasons.

### **Registration**

Payment, in full, is expected on the Wednesday prior to the week your child is attending care. We require a \$35 deposit to reserve a spot. *Deposits paid are non-refundable.*

### **Financial Aid**

The YMCA is a charitable organization that provides financial aid to any individual that is not able to afford services. Financial Aid applications are always available at the YMCA front desk or on the Y website at [www.bathymca.org](http://www.bathymca.org). Forms will be reviewed, and you will be notified of your award. We attempt to provide a Y Care experience to as many students as possible.
