HUMAN REFORMER PILATES
Pilates-inspired class that replicates the benefits of a piltes refprmer using resistence bands, blocks, and more. You will build core strength, alignment, and total-body muscular control through controlled tempo, and intentional sequencing, all rooted in pilates principles.

INDOOR CYCLING
Group cycling is a great form of exercise that is low impact on the joints. It can be as challenging as you make it because you control the resistance!

PILATES
Pilates is a system of controlled exercises done on a mat, blending strength and flexibility training. The class targets core strengthening, as well as improving overall fitness.

RISE & SHINE
A circuit-style class designed to burn fat and build strength, muscle endurance, flexibility, coordination & stamina. Targets all muscle groups, from head to toe, and front to back, and end with a long, deep stretch.

ROLL WITH IT
This evidence-based approach recognizes self-myofascial release as effective for improving tissue quality and mobility. Foam rolling improves mobility, reduces tension, supports training recovery and functional movement quality.

ADVANCED TAI CHI & TAI CHI
An intricate set of linked poses developed in China to embrace balance, fitness, and longevity. It is a highly dynamic, yet relaxed, movement that appears simple, fluid, and soft. Beginner and intermediate classes available.

UPLIFT
A strength training class set to iconic music used to create a fun and engaging workout. Classes use a variety of equipment including dumbells, bands, and a miniball to target all muscle groups.

VINYASA YOGA
A flow yoga class that focuses on breathing and sun salutation variations. It is a more vigorous yoga experience that is a great practice for anyone looking for a physical or mental challenge.

ZUMBA
This class is the perfect combo of cardio and fun! Zumba is what started the dance fitness revolution and changed the way we look at a "workout " forever. Feel the music, have a great time, and learn some new dance moves!

All group exercise classes are free for members and drop-in unless stated otherwise.

Some of the above classes are seasonal and may not appear on the current schedule.
